Praise the name of God forever and ever, for he has all wisdom and power. He controls the course of world events; He removes kings and sets up other kings. He gives wisdom to the wise and knowledge to the scholars. He reveals deep and mysterious things and knows what lies hidden in darkness, though He is surrounded by light. Daniel 2: 20-22 (New Living Translation)

- † Gracious God, thank you for calling us to be part of your fellowship, The Church. Today Lord as we come together, we remember our sisters throughout the world church. The women who have to work two jobs in order to send their children to school; the women whose children have been taken away by force or some intervention; the women living in war zones trying to live a life of peace in the midst of violence; the women who just hope for a better tomorrow; the quiet women that just do their work and commit themselves to their faith. Father above all this day we pray for a peaceful world where your children may learn to live together in peace and unity. Almighty God continue to inspire all of us so that we can play our part to build up your kingdom wherever we are- north, south, east or west. Bind us together in sisterhood with chords of love that can never be broken. (Rev Margaret Fowler, United Church of Jamaica and the Cayman Islands)
- † Prince of Peace, we pray for areas of the world where there is conflict between ethnic groups, nation states and religious factions. Please raise up and empower Your chosen men and women to negotiate and bring reconciliation between those warring against each other.
- † Heavenly Father, thank you that you care deeply for each and every one of us. Thank you that Jesus touched and healed those who were outcasts just because they had leprosy. Reach out to touch and heal them again today. Bless all those striving to bring healing and justice to people affected by leprosy around the world. Give them the skills, wisdom and strength that they need to care for those who need help just because they have leprosy. Move your people to tackle injustice and to give, act and pray in support of the work of The Leprosy Mission as it answers your call upon it. May we one day see a world where nobody is disadvantaged in any way just because they have leprosy. May we see a world without leprosy.
- † Whatever your worry or care "Take it to the Lord in prayer".
