GUILD As previously stated this is a Guild meeting with a difference. It will be held **in the Church** on Monday 30th March at **7pm**. At the beginning of Holy Week, there is to be **Music and Meditation for Eastertide**. You do not need to be a Guild member to come along and contemplate the Passion of our Lord Jesus Christ. Please try to come along to make a reflective start to Holy Week. There will be tea and coffee in the hall immediately afterwards. The Guild members will hold their AGM after this welcome cuppa.

Please take this home with you to
help you with your prayers this week.

I am your servant; give me discernment that I may understand your statutes.... Your statutes are wonderful; therefore I obey them.

Psalm 119: 125, 129

- † Lord, the Giver of Life, we are so grateful for the easy access to clean water and sanitation we have in this country. Please help those working in the developing world to provide basic facilities and healthcare that will save many lives. Father, we pray for more efficient methods of collecting water to be put in place so that women and children in remote rural areas do not have to spend so many hours each day fetching water rather than working, caring for family or going to school.
- † Pray for the Axis Forward Project, Dundee run by Nan, the manager, and Eddie and Linda, support and project workers. This small team supports adults to leave alcohol and substance misuse behind. They ask your prayers that they might have patience and emotional resilience to consistently give their best, especially in the face of disappointments. (CrossReach Prayer Letter)
- † Praise God that tough prison sentences handed down to three Iranian church leaders, Behnam Irani, Matthias Haghnejad and Silas Rabbani, were overturned on appeal in December. Continue to pray for Pastor Behnam's release: he remains in jail on other charges. (Release International Prayer Shield)
- † Whose marriages might need your prayers this week? Bring them before God and ask that couples will grow in love for each other and in deeper faith.

The true opium is a belief in nothingness after death - the huge solace of thinking that for our betrayals, greed, cowardice, murders we are not going to be judged. (Czesław Miłosz)
