***Where can I go from your Spirit? Where can I flee from your presence?
Psalm 139:7***

† Heavenly Father, thank you that your light dispels all darkness and your perfect love drives out all fear. We praise you because your Spirit is everywhere: there is nowhere on this earth that we can flee from your presence. So thank you, Father, that you are with our brothers and sisters, even in the darkest cell and the most remote village. Your presence is with them always. Father, remind them of your unconditional, unfailing love, light up their darkness and drive out their fear. (Release Prayershield)

In November pray for persecuted Christians in Malaysia, Iran, Uganda, Sri Lanka and Sudan.

† Father, we ask you to be close to all those who are going through a trying period. We think of those we know who are in poor health, those who are worrying about a loved one, those who are stressed with work and family, those who are lonely and feeling very isolated. Father, we know some of these who need your love and tender arms around them but you know all in our midst who are experiencing problems. Extend your peace to those known to us and those not.

† Heavenly Father, we pray for the people of the USA as they go to the polls to elect a new President. May Your hand guide them to make the choice which will promote your kingdom here on earth.

† Lord, we pray for the spread of the gospel. Bless those who preach, teach, heal, build, reconcile, bring hope, that their message may be the means of salvation to those who hear; and grant that that your church may grow and increase in the knowledge of your divine love. Bless Rev Andrew Graham and his wife, Margaret, as they leave to take up new challenges in a new setting and pray that God will bless them in all their efforts to spread the Good News.

***Praise God today because he has complete control of human history - and
you can safely entrust your life to him!***
